PRINCE OF CHALDEA SPEAKS HERE ON COUNTRY FOLK

TELLS CLUB WOMEN WAYS OF HIS PEOPLE NOT CHANGED FROM PAST CENTURIES

Suppose you were a prince of the Chaldeans living in the northern part of Mesopotamia, a direct descendant of those peoples from whom Abraham started out on his historic journey, and suppose you had been taught that when a man's hair was cut and his face was shaved it was done because he had been unfaithful to his wife—the barbering being featured in the presence of the Chaldean priest—then suppose you came to America and saw many, many men with shorn locks and smooth faces and looked into shops where “priests” in white did the “shearing” and the “scrapping”—wouldn't you raise your hands in horror, then become inquisitive?

Of course you would! So did Prince Raphael Emmanuel of Chaldea. He so informed Tuesday afternoon club members yesterday afternoon during the course of his address on Chaldean customs.

Attired in the dress of his people, Prince Emmanuel, after being presented by Mrs. C. E. Hutchinson, club president, began his address by stating that he believed the Chaldeans now numbered about 150,000, but, owing to the fact that no birth or death records are kept it is impossible to state just how many there are.

Primitive as of Old
The Chaldeans of today, he said, are just as primitive in their ways of living as in the time of Abraham. They have no schools, no banks and very little money, as they are not dependent upon this for their happiness. They do not believe in the accumulation of wealth. They exchange wheat for potatoes, potatoes for garments and garments for something else, as their needs may be. Most of the people do not know how they look. They have no mirrors.

The prince stated that the first time he saw his likeness in a mirror he was disappointed.

In his country the men do not have their hair cut nor their faces shaved. There is one exception to this custom, he said. If a man is unfaithful to his wife he is taken before the chief priest and has his beard and mustache shaved off and is then looked upon with much

Entertainment Given By Cerritos School

The entertainment given last night in the branch library building on South Brand boulevard by the Cerritos avenue school for the benefit of the motion picture machine fund was a decided success both as to attendance, there being fully 200 present, and as to program. Motion pictures of various topics of interest were shown.

During the evening Richardson D. White, superintendent of schools, spoke of the epoch of motion pictures being used in connection with educational work as being one of the newer things. Stereopticon pictures and the stereoscope have long been used and now the motion picture machine has been introduced into the schools. He said that one of the reasons why it has taken this long to be introduced in the schools of this country was on account of the small amount of available material in the way of films suitable for school use. Mr. White also spoke of the coming bond election. One of the projects which will take about half of the amount of the bonds to be voted is an intermediate school for the southern part of Glendale which would have an auditorium that would accommodate from 500 to 600 people.

Two very delightful readings were given by Elsie Whitney. Little Davina Wood danced a very clever Irish jig in costume. Other reels of motion pictures completed the program.

Proceeds from the entertainment were used to help pay for the motion picture machine which has been purchased for the schools of the southern part of Glendale.

16-Inch Mains Being Installed In Avenue

Glendale avenue between Wilson and Doran now is torn up along the east side of the street, the city water department having a large crew of men busy installing the heavy 16-inch mains which will bring an additional supply of water to the rapidly increasing business section of the city.

Mrs. Annie L. Curtiss Plans Teachers' Play; Ushers Teachers Also

Mrs. Annie L. Curtiss, principal of the Cerritos Avenue school, is chairman of a committee of the Glendale City Teachers' club which will meet this afternoon and plan the production of a play at an early date. All of the cast will be teachers and all of the ushers also will be known by the children as their schoolma'ams.

Both the date and play are to be selected at today's meeting. The purpose of this entertainment is to raise funds to send a local delegate to the National Educational Association convention at Des Moines, Ia., this summer.

Bring on th' Hen!
Evidence is a material factor in all conclusions.

When the writer saw fifteen chickens mothered by one hen in a coop at R. C. Hollins' place in Casa Verdugo yesterday, he could accept the statement that fifteen eggs out of fifteen hatched.

They must have. But when S. A. Trowbridge of 437 Burchett street goes one better by telling of an Iowa hen that hatched sixteen chickens from fifteen eggs, we insist on just one thing.

That's seeing the hen, even if it has to be shipped from Iowa to California.

NAME DELEGATES TO ATTEND SESSIONS OF MUSIC CLUBS

FEDERATION GATHERING WILL BE HELD IN LOS ANGELES; PROGRAM IS VARIED

Delegates from the Glendale Music Club who will attend the convention of the California Federation of Music Clubs, which is to be held in Los Angeles next week, are as follows:

Mrs. Mattison B. Jones, vice president of the California Federation of Music Clubs and president of the Glendale Music Club; Mrs. Spencer Robinson, vice president of the Glendale Music Club; Mrs. Dora Gibson, delegate; Mrs. Calvin Whitling, alternate; Mrs. Warren Roberts, delegate; Mrs. Vivian Webb, delegate; Mrs. R. W. Meeker, alternate.

Most of the sessions of the convention will be held in the ballroom of the Alexandria hotel. Mrs. R. W. Meeker has charge of the decorations for the entire convention and is anxious to have as many members of the four federated music clubs of Glendale to assist her as possible.

Concert of Sacred Music
Prior to the formal opening of the convention a splendid program of sacred music will be given Sunday night by the choir of the Temple Baptist church at Philharmonic auditorium. This choir has been chosen by the federation to give this program to illustrate the evolution of church music from the early times to the present day. One of the quartets which will assist the choir consists of Constance Balfour, Nell Lockwood, Clifford Biehl and Mr. Foster, conductor of the choir, with Dr. Hastings at the organ.

The choir from B'Nai Brith will give the earlier forms of church music from the Jewish episode. In addition to the choruses and organ there will be the harp, violin and cello. This concert is open to the public and those wishing to attend should be at the auditorium by 7 o'clock.

Features On Program
Monday night there will be a reception at the Alexandria hotel which is free to members and guests. Tuesday night there will be the annual banquet at the Ebell club. Those wishing to make reservations should communicate at once with Mrs. Julio Endelman, 1229 Fifth avenue, Los Angeles, phone 75562.

The last night of the convention “Hiawatha's Wedding Feast” of Tenynson's, which has been set to music by Coleridge Taylor and which is really an opera, will be presented at Trinity Auditorium. A chorus of 100 voices and the Women's Symphony orchestra will take part in the presentation of this musical work. Tickets for this are on sale at the Glendale Music store, the proceeds to go to the educational fund of the federation.

VISITING IN GLENDALE
Mrs. Helen Broeffle of Glendora is enjoying a two weeks' visit with her aunt, Mrs. Archie Parker of 133 North Louise street.

SEWERAGE QUESTION EVANGELIST WARNS NEGLECT IS BIG PUBLIC MENACE

REDUCTION PLANT TO CARE FOR WASTE OF GLENDALE, BURBANK SUGGESTED

With James W. Pearson presiding, a number of business men gathered at Doner, Hemenway & Burn's real estate office last night to discuss the sewerage problem which confronts the city and other issues. It is understood that some present advocated annexation to Los Angeles, but A. H. Jones, a consulting engineer who resides at 376 West Lexington Drive, advised them to thoroughly investigate plans for local sewage disposal before considering connecting with Los Angeles' system.

While the metropolis has had to send east to get experts to study their problem—and it is a much greater one than Glendale, with an inadequate and inadvisable outfall sewer—Mr. Jones thought it would be wise for Glendale to obtain the services of Irvin Osborne of Columbus, Ohio, who is a recognized authority on the subject to investigate the local situation.

Reduction Plant Proposed
Overtures will be made to Mr. Osborne with a view of having him study Glendale and Burbank's sewerage problems and see if he cannot install a profitable reduction plant where fertilizer will be manufactured for the surrounding farming country. Such is the case at Columbus today, according to Mr. Jones and Mr. Osborne was called to Washington, D. C., to determine which of 17 different plans was most feasible for the District of Columbia. Experience in army work of a similar nature gave Mr. Jones a great amount of information which he touched upon lightly in his talk last night and it is said that he convinced several of those who attended that annexation for sewage disposal is unnecessary.

At the same time, the committee making a study of sewage disposal for the city of Glendale was meeting at the city hall and working on plans presented by Olmsted & Gillette, consulting engineers.

Birthday Party Given In Behalf Garnet Lord

A delightful party was given Saturday afternoon, April 23, at the home of Mrs. R. M. Lord, 428 North Jackson street, in honor of the eleventh birthday anniversary of their daughter, Garnet Lord.

The afternoon was spent in music, games and contests for which prizes were awarded to Ruth Mercer, Dorothy Neuman and M'Lee Cole, after which refreshments of ices, cakes, nuts and candies were served. Decorations of lilies and roses were used. The favors were of tiny kewpie dolls.

Guests present included Mildred Randolph, Virginia Burritt, M'Lee Cole, Jean Williams, Julia Pelley, Ruth Mercer, Catherine M. Doll, Dorothy Jodon, Barbara Sawyer, Dorothy Neuman, Gretchen Lord and Garnet Lord.

A. L. Andrews Is Host To John Brown Party

A. L. Andrews of 310 North Jackson street entertained the members of the John Brown evangelistic party and friends with an elaborate five-course chicken luncheon yesterday. The rooms were decorated with a profusion of roses and ferns, corsage bouquets decorating the dining table. Those present included Rev. John Brown, choir leader from Ironmonger, Mr. Clark, pianist; Mrs. Frances L. Neth, Mrs. J. J. Brown, Miss Jennie Brown, Miss Elizabeth Bohannon, W. S. Bohannon and Miss Sue Thomas.

Mrs. J. P. Clark Back From Visit To North

Mrs. J. P. Clark of 606 North Orange street has just returned to her home from a two-weeks' vacation in Redding, California, where she has been visiting her brother, Jack Clark. Mrs. Clark reports that although weather conditions are very favorable in the northern city, nevertheless she is pleased to be back in southern California and Glendale.

WORLD TRAGEDY, IS CLAIM BY REV. JOHN BROWN

Wednesday, 7:30 p. m.—Subject, “God's Call to Glendale.” Thursday, 10:00 a. m.—Subject, “Spirit-Filled Life.” Thursday, 7:30 p. m.—Subject, “A Religion of Enthusiasm.”

Another large audience greeted Evangelist John Brown last night. The address was upon the topic announced, “The Tragedy of Neglect.” Scripture text, Hebrews, second chapter, first three verses: “Therefore we ought to give the more earnest heed to the things which we have heard, lest at any time we should let them slip. For if the word spoken by angels was steadfast and every transgression and disobedience received a just recompense of reward, how shall we escape if we neglect so great salvation?”

“In considering this subject,” said the evangelist, “I shall place special emphasis on the words ‘if we neglect.’ The exhortation starts out by saying that we ought to give more earnest heed. In other words, that we should give more and better attention to the sermons, the songs, the exhortations and the invitations that fall upon our ears. Heed them earnestly. Hear them and heed, for the grave reason that if we hear and do not heed that our sensibilities become hardened. Our emotions no longer respond. The gospel song that at first touches our hearts and brings tears to our eyes will soon lose its power. We become gospel hardened; become as sticks or a stone. And when we reach that state we are in a most dangerous condition. If we hear these eternal truths and believe that they are true and give no heed, how, in the language of the text ‘shall we escape.’

Lost Through Neglect
“There is one particular point that I wish to make very plain this evening, and that is that it is not the outstanding sins of the world that is going to condemn you at the last day. If you are lost it will be by neglect. It is not necessary that you commit some form of wrongdoing; all (Continued on Page 4)

Grand View Votes 60 To 2 For Bond Issue

By a vote of 60 to 2, Grand View municipal improvement district No. 4 carried a \$30,000 bond election yesterday which will provide improvements in the way of water mains and other public service. It is expected that rapid development of this section will follow the expenditure of this amount.

The voting precinct was at C. H. Ellsperman's garage on Sixth street and officials of the election were Myrtle Buckman, judge; Sadie J. Learned, clerk, and Marjorie Hoagland, inspector.

At a rally held Monday night at the Ellsperman home, City Manager T. W. Watson, Building Inspector F. A. Marek and Trustee A. H. Lapham answered questions about the improvements to be made and it is through their efforts and those of the Grand View Improvement Association that the issue was carried almost unanimously. Ice cream and cake were served at the close of the rally.

Betty Jane Boothby Entertaining Friends

Little Betty Jane Boothby, daughter of Mr. and Mrs. W. H. Boothby of 348 West Lexington Drive, is entertaining a number of her little friends and their mothers at a party this afternoon in celebration of her first birthday anniversary. Cecil Brunner roses will be used for decorations.

The guests invited are Barbara Jean McAdams of Palmdale, Jimmy Farmer, Margaret Salmacia, Catherine Monahan, Donald Goode and their mothers. Refreshments will consist of a large birthday cake, decorated with pink candy roses and a pink candle, and ice-cream, as most of the babies are old enough to enjoy it.

Fiftieth Anniversary Fittingly Celebrated

Mr. and Mrs. J. N. Parrish of 503 South Adams street, together with their daughter, Mrs. Ida McAdams and family, and son, G. N. Parrish of Pasadena, motored to the home of their daughter, Mrs. Warren Knapp, at Yucaipa valley, where they celebrated their fiftieth wedding anniversary very enjoyably. There were four generations present.

U. S. MAY ASK FRANCE TO DELAY RUHR VALLEY ADVANCE
WASHINGTON, April 27.—The United States may ask for France to delay her proposed occupation of the Ruhr valley. This step, it was learned, is in contemplation in event Italy and Great Britain refused to support France in its flat rejection of the latest German reparations proposal. Should Italy and Great Britain signify to the state department that they want a chance to discuss the new German offer, France will probably be requested to hold her troops back until after another effort has been made to reach an agreement.

HANFORD, April 27.—Fire starting in the store of the Biddle Implement company here at 9:30 last evening caused \$30,000 damage to three buildings. One automobile and considerable farm machinery were destroyed and twelve tractors seriously damaged. The flames spread to the store room of Enzensperger Brothers, dealers in automobile tires, oils and accessories, and the automobile sales room of F. H. Bartram. These firms sustained considerable loss, though part of their stock was saved. Four men were burned by hot tar from the burning roofs while assisting in saving merchandise.

PRICES RALLY SHARPLY AFTER REACTIONARY OPENING
NEW YORK, April 27.—Prices on the New York stock exchange rallied sharply during early trading, following a reactionary opening among practically all the industrial list. Mexican Petroleum ran up to the closing price of Tuesday and General Asphalt vaulted three points to 70 3/4. Steels firmed, Republic selling above 64 and Bethlehem going to above 60. 65,000 GIRLS DISAPPEARED IN U. S. LAST YEAR, IS CLAIM

WASHINGTON, April 27.—Sixty-five thousand girls disappeared in the United States last year without leaving a trace. The great majority were lured to the big cities from the small towns and farms. They have dropped from sight and their fate is an unsolved mystery. This story was brought to the national congress of mothers and parent-teachers' associations convention here today with a plea for the creation of a central bureau to help find missing girls. Lieutenant Catherine Van Winkle of the District of Columbia police department, told the convention one of the biggest needs of the country was to save the army of girls who annually are lost in big cities. Plans were being made today to ask the convention to launch a vigorous campaign against “loose morals.” Mrs. Ward Morgan and Mrs. William Ullman of the Missouri state organization, were prepared to introduce resolutions demanding abolition of checking of corsies by school girls and older women when attending dances, and: The knee length dress; diaphanous attire; rouge; suggestive dances; objectionable movies.

LEE MOTOR VEHICLE ACT LOST IN SENATE COMMITTEE

SACRAMENTO, April 27.—The Lee motor vehicle act, already passed by the assembly was tabled in the senate roads and highways committee late last night. The defeat of this measure is a victory for the state highway commission whose members opposed it in committee. A substitute bill by Senator Morris was taken over by the committee. The new bill would increase the license fee on all pleasure cars \$2 a year. It is understood the substitute bill will be reported out. The senate passed the Beal bill permitting cities and counties to operate cement and quarrying plants late yesterday. Other measures passed included the Hornblower bill aimed to prevent employment of strikebreakers and the West osteopath bill. The senate finance committee reported out favorably the Bishop measure appropriating \$10,000 for the restoration of the San Diego mission. The assembly last night killed the Crowley bill establishing a nine-hour day for drug clerks. The lower house voted overwhelmingly against taking up reapportionment at this time, when it voted down Merriam's resolution extending the date of adjournment. Johnson's hydro-electric power commission bill lost in the assembly when its proponents failed to secure enough votes to bring it out of committee.

Lauritzen were called to the Midway Gas company plant on San Fernando road last evening by a report that a rain of bullets were endangering the lives of people in the vicinity. F. C. Ginn, aged 30, was arrested yesterday afternoon in front of the First National bank building and was charged with disturbing the peace. He is being arraigned before City Recorder F. H. Lowe this afternoon, at 2 o'clock.

Congress Of Mothers To Convene Tomorrow

The first district convention of the
California Congress of Mothers will
begin tomorrow at the Walker audi-
torium, Los Angeles, from 10
o'clock to 4 o'clock. The convention
will end Friday. The various Glen-
dale parent-teacher associations will
be represented by ninety delegates.
A number of members are also plan-
ning to attend.

Tomorrow will be observed as
Glendale Day, at which time the Mad-
rigal club will furnish music and
Richardson D. White, superintendent
of Glendale city schools, will talk on
"Reading for Mothers." Election of
officers will take place Friday.

Shoes remain high because hides
cost so much. An Iowa farmer sold
twenty-two calf hides and had \$1.20
left after buying a pair.

Locals And Personals

The Quality Grocery and Market
has just completed the installation of
one of the most sanitary and modern
refrigeration systems and accompa-
nying fixtures of any to be found in
Glendale. The improvements cost in
the neighborhood of \$3500.

Architect Arthur G. Lindley and
George T. Brewster, day desk ser-
geant at the Glendale police station,
returned last night from a two-day
motor trip to Fresno county, where
Mr. Lindley has construction work
under way. Several San Joaquin
valley points were visited.

The building committee of the
Chamber of Commerce met at Roy
L. Kent's office last night to make
further plans regarding the corpora-
tion which plans to erect a business
block opposite The Glendale Evening
News office. Tomorrow noon at the
White Inn the credit committee will
meet and Monday night the advertis-
ing committee will assemble at head-
quarters, 115 West Broadway.

Intermediate Boys Will Go On Hike

Boys at the intermediate school
are anticipating a hiking trip up
Mount Wilson on May 13, under the
direction of Rex B. Kelley of the
Y. M. C. A. and A. T. Blanford, ath-
letic director of the city schools.
They will leave by motor truck on

mountain for sunrise. After a morn-
ing's climb they will return to the
truck, go to Brookside park, Pasa-
dena, for a swim, and return home
at 5 o'clock Saturday afternoon.

Considerable interest in being

which is being offered those who

Fifth and sixth grade boys—Chin

Rally For Girls Is Held Great Success

The rally last night in the Chris-
tian church, held by Mrs. Neth for
the high school girls, the business
girls and all other girls of Glendale
was a great success. The attendance
far exceeded all expectations. There
were not seats enough or eats enough
to go around. But all the same every
one present had a good time. Pro-
fessor Clark, the pianist from the
tabernacle, whose skilful playing has
pleased so many since the meetings
have been in progress, was present
and delighted with two numbers,
both of his own composition. Miss
Frances Neth favored with a vocal
solo which was well received.

Mrs. Neth addressed the girls and
expressed her delight at seeing so
many present. She gave them good,
wholesome advice upon how to get
the best out of life—by a develop-
ment of their best powers—physical,
intellectual and lastly, spiritual.
There were responses by the girls
from the different walks of life. At
the conclusion they went in a body
to the tabernacle and occupied seats
together.

Mrs. Neth was highly pleased at
the success of this first gathering of
girls. The next one will be on next
Tuesday evening, and arrangements
are being made for a larger place.

National Guards Get Their New Uniforms

Proud as peacocks!
Well, we should say so.
The National Guardsmen, mem-
bers of the Fifth Separate company,
"Glendale's Own," are now being
issued their uniforms.

And you ought to see them.
If you haven't.

PRINCE OF CHALDEA

SPEAKS HERE ON

(Continued from Page One)

scorn. The prince said that when
he came to Europe and America and
saw all the men with smooth faces
he wondered what was going on.
There is no divorce in Chaldea.

The houses in Chaldea have only
one door, which is never locked, the
speaker stated. They have no beds.
The mattresses, however, are made
large enough for the entire family
to sleep on. This is done to pro-
tect the children from the wolves.
Each house has wonderfully beauti-
ful rugs.

Don't Eat So Much

The Chaldean people, said the
prince, live longer than the people
of modernized nations. They eat
only five or six meals a week and
very little meat. Fruits, nuts and
vegetables and whole wheat bread
are their chief foods. They are an
agricultural people.

Prince Emmanuel sang some of
the songs of his people, which were
very weird and quaint and reminded
one somewhat of the desert songs of
Egypt.

The bible, continued the speaker,
is the foundation of all the educa-
tion received by the Chaldeans.
Story tellers go from house to house
and from village to village telling
tales of other countries, which to the
Chaldeans were really like fairy
stories.

After the prince had completed his
talk he told the members to ask any
questions they wished answered.
Some of the questions were as fol-
lows:

Is your religion of the Jewish
faith? To which the prince replied
that the religion of the Chaldeans
was the first and it was upon this
that the Jewish religion was estab-
lished.

Another question was as to who
wove the cloth and made the gar-
ments. The prince stated that the
cloth is woven mostly by the men
and the garments made by the wom-
en.

The prince stated that the people
of his country do not have diamonds
but make the most beautiful amber
beads.

One of the club members asked
the prince how he acquired his edu-
cation. He stated that his father
had taught him only the bible, and
then after his father had passed
away he remembered some of the
wonderful stories which the travel-
ing story teller had told and thought
that he would see for himself. He
came to America about six years ago.

The prince stated that he had
found it very difficult to learn the
English language and had spent
hours on the alphabet alone. He
took the bible and compared it with
the one he had studied in his own
country. He stated that he spends
a great deal of time each evening
reading. After he had familiarized
himself with the alphabet and so
forth he drew many books from the
library.

Although the prince stated that
he had gained many things since
leaving his own country and had
seen and learned many wonderful
things, that for everything gained he
had lost something of his own civil-
ization and contentment.

Business Is Transacted

About 200 club members were
present. The platform was decorat-
ed with large vases of snowballs
and Cecil Brunner roses.

The meeting was called to order
by the president, Mrs. C. E. Hutchin-
son, and minutes of the last regular
meeting were read and approved.
Mrs. Tower, general curator, then
made announcement of meetings of
the various sections, as follows:

The music section will meet Fri-
day, May 6, with Mrs. Calvin Whit-
ting; literary section meets May 3
with Mrs. G. H. Rowe; Shakespeare
section meets Monday, May 2, with
Mrs. A. J. Cookman; the drama sec-
tion meets Thursday, May 5, with
Mrs. M. C. Barker, 1246 South Glen-
dale avenue; the parliamentary sec-
tion meets Wednesday, May 4, at the
home of Miss Eva Daniels.

Mrs. R. E. Chase was then called
upon to give a report of the plays
which were recently given by the
drama section, of which she is cur-
ator. The net proceeds amounted to
\$700. The section retained \$50 of
this for a working fund and turned
the check of \$650 over to Mrs. Tem-
ple, chairman of ways and means, to
go toward the building fund for a
new clubhouse.

Mrs. Hutchinson in a very beauti-
ful little talk told of the passing of
Mrs. Cora Taylor, the first president
of the Tuesday Afternoon club, and
of the death of the husband of Mrs.
E. W. Kinney.

On account of the C. E. conven-
tion, which is to be held in Glendale
during the month of June, it was
thought best to set aside that sec-
tion of the by-laws stating the meet-
ing days and to hold the meeting the
third Tuesday in June instead of the
fourth. This was made in the form
of a motion and carried.

Why Pick Up After a Laundress?

It's almost as much of a task as the washing itself—picking
up after your laundress; seeing that things are rightly done;
fussing over her meals; measuring out soap and starch and
other supplies.

Our family laundry service saves you all this.

We call for your family bundle and attend to all these details
for you. And promptly, on the dot, we return your clothes,
beautifully clean, everything dried and ready to put away.

We know that you'll like this modern way of taking the toil
out of wash-day.

Try it, today—phone for our driver—we'll have him call for
your washing.

EVANGELIST WARNS BUSINESS GOOD ON
NEGLECT IS BIG
PUBLIC MENACE

LACK OF PROPER INTEREST IS
WORLD TRAGEDY, IS CLAIM
BY REV. JOHN BROWN

(Continued from Page One)

that you will have to do is to sit still
and do nothing. If you are out of
Christ, whether in the church or out
of it, you are now lost. Not at some
future time, but just now. If you
are denied admission to heaven it
will not be for your sins of commis-
sion, but of omission—neglect. Turning
your back on Jesus Christ—
refusing to accept his salvation pur-
chased at so great a price—sinners—
by choice. Sinners are sinners—
rebels are rebels, and there is no
difference—morality is not Chris-
tianity.

"Do not misunderstand me—an
upright moral life is commendable,
but it will never save. Salvation
comes alone through Christ. 'For
there is no other name among men
whereby we can be saved.' Oh, the
sin of neglect. It is the introduction
to thousands of books of human his-
tory and experience. As I look into
your faces this evening I can but
ask myself 'What tragedies, what
heart aches, what sad secrets and
darkness has neglect worked in your
lives?' Underneath and back of most
of our failures and shortcomings and
sins of commission is the sin of
neglect.

"We neglect the church; with all
its weaknesses the church is the hope
of the world. It is the greatest in-
stitution in the world. Looms above
all other efforts to lift up the hu-
man race, and yet in the face of this
well-known fact it is sad to relate
that the greatest enemy to the church
is within, and not without. The men
and women who are in the church
but are willing to sidetrack it for
most anything else. To kill the
prayer meeting is to say it is a good
thing and then never go near it. To
praise your pastor's sermons and
then never attend the Sunday eve-
ning service and only on Sunday
morning when the weather is fair.

Worst Foes of Christ

"The worst foes of Christ were
church officials, and the official of
today who is more interested in his
lodge and clubs than the church is
its worst enemy. Over the doors of
many weak and failing churches
could be written 'Dying of Neglect.'
The church member who can attend
the lodge in all kinds of weather and
at late hours, and then complains
when a revival service holds to 9:30
o'clock has a religion that is a fraud,
a joke, a farce, a humbug and some
other things that I cannot think of
at this time. This will be a sad na-
tion when the church life dies out.
It should be the Christian's joy to
attend church. The Psalmist said,
'Let us go into the house of the
Lord.' I am glad to say, from the
bottom of my heart, it is my greatest
joy.

Neglect of the Home

"Back of the state, school and
church stands the home. The best
gift to the human family. No finer
picture in the whole world than the
whole family surrendered to Christ
and interested in the things that go
to make up Christian character. The
family altar church attendance and
co-operation in the Christian life.
On the other hand no sadder sight
than the mother and children trying
to maintain a Christian home with an
unconcerned and unconverted
father. Ninety-five times out of a
hundred when the children go wrong
and are headed for hell, it is the fault
of the home—something wrong there.
For when the child is safeguarded by
a Christian home and sheltered by a
mother's love, the devil has a hard
job on his hands to lead him astray.
But too many times the home is
neglected. Is neglected for business,
for the lodge; and kindly remember
that I am not passing judgment on
any organization, but do emphasize
that they should not take precedence
over either the church or the home.
Home is neglected for pleasure, and
some kiddies do not have a fair
chance in life, and which largely ac-
counts for the great increase of
crime among children.

"Former Vice President Marshall
speaking of his experience as Gov-
ernor of Indiana, says: 'When pa-
rents came before me interceding for
their children who were in prison,
they would wring their hands and
say, 'What have I done that God
should bring this terrible trouble on
me?' And most every time,' said the
governor, 'I felt like saying: 'It
isn't anything that God has done—it
is what you have left undone. What
you failed to do.'"

Revival for Home

"What we need is a revival for the
home that will cause us to cease our
neglect of its best interests. We
need to get tied to Christ—to dedi-
cate our children to Him. To con-
tinue our fidelity to the home, and if
perchance, a child does drift, this
faithfulness will bring him back.

"I love California. Outside of Ar-
kansas I know of no better place to
live. But, listen, let me tell you
something when it comes to church
neglect! California has a lot of the
biggest liars in the country. Beats
Arkansas, Oklahoma and Texas.
There are lots of people here from
Iowa, Kansas, Nebraska, Illinois, Da-
kotas, etc., who were active Chris-

FOUR CARLOADS OF FREIGHT
MOVING DAILY INTO CITY.
STATES LOCAL AGENT

A. J. Vail, who has recently come
to Glendale from Clearwater was
agent for the Salt Lake route which
maintains a freight and passenger
station at Glendale and California
avenues, reports that four carloads of
freight are moving into Glendale
daily over his line, not to mention
the less than carload lots of mer-
chandise which are received daily.
Mr. Vail has succeeded F. W. Mont-
gomery as agent here and the latter
has been enjoying an eastern trip
before taking up his duties at some
other post with the Salt Lake route.

Already thirteen cars of fruit have
been dispatched from local packing
houses this month and the office
does a business which amounts to
nearly \$2000 a day with only one
man in charge and one train daily.

Makes Three Round Trips

This combined freight and passen-
ger arrives here at 7:33 each morn-
ing and is due to depart at 8:15.
The same crew makes three round
trips to Pasadena daily, according
to Mr. Vail.

Mr. Vail intends to move from
Clearwater to Glendale this sum-
mer, having selected this city in
preference to any other when prior-
ity gave him the choice of many
southern California stations.

While he is pleased with his
choice, he believes it will be cheaper
to build than to rent a home here.

It is probable that Mr. Montgom-
ery, who is a resident of 514 West
Harvard street, will be employed in
the city offices of the Salt Lake.

Dorothy Robertson Of
Chautauqua In City

Miss Dorothy Robertson, advance
representative of the chautauqua,
which comes to Glendale May 11 to
17, was here yesterday arranging for
a number of the preliminary plans.
Miss Robertson conferred with C. D.
Lusby, chairman of the local com-
mittee, and John MacGregor, also of
the committee.

In discussing the different fea-
tures furnished by the chautauqua,
Miss Robertson stated that Peter
Clark Macfarlane, noted fiction writ-
ter, who will appear on the sixth day
of the chautauqua, program confines
his work not only to fiction. He is
winning prominence in the scenario
"Digest" fame, a Goldwyn star, is
taking the leading role in the drama-
tization of Mr. Macfarlane's story,
"Guile of Woman," now on the
screen and meeting with unusual
success.

"The novelist's versatility, his
eager determination to constantly
branch into a broader scope of the
imaginary world, and the success
with which his first production has
met, gives promise of future big re-
leases in the film field. The wide
circulation of his magazine articles
and books apparently assures popu-
larity for him on the screen," con-
cluded Miss Robertson.

tian workers back home. They have
been out here two, three, four, six
months, a year or longer, and still
connected themselves with no church.
They have their church letters in
their trunks, and when you talk with
them they just enthuse over Califor-
nia—hope always to live here and
die here—and yet when you ask them
about church connections they admit
that they have done nothing—have
neglected to hand in their names;
and when you press them for a rea-
son the answer, 'Well, Brother
Brown, I don't know how long I shall
stay here.' You know you are lying
when you talk that way. I met a
crowd of this kind up in Oakland
and talked to them in my kind, gen-
tle way. The church is the conserv-
er and preserver of your Christian life
and if you neglect its help you will
soon be a spiritual bankrupt.

"The tragic part of our neglect of
our soul's interest is the false notion
that it is a disgrace to admit our
neglect, to confess to God and get
back where we belong. The disgrace
is in further neglecting. In sitting
still when we know better; in meet-
ing God when He can bless us. If
everyone in Glendale who has neg-
lected the church, the home, the
Bible and prayer would fully confess
and come back, Glendale would have
the greatest revival in its history. I
have made no appeal so far to the
unsaved, but to the church to get
it right. But cannot close without a
warning to unsaved. Don't neglect.
Not one of a million ever expects to
get lost. But neglect and you are
lost. If you believe that the grave
ends all, then live that way. But if
you believe in a future state and
want to spend it in Heaven then act.
No longer neglect. Now as we sing,
will all those who have resolved to
no longer neglect your best interests,
whether church members or not,
come; take me by the hand and go
into the inquiry room for counsel and
prayer.

A large number responded to the
invitation.

The New York legislature has
passed a law making it a misde-
meanor for a person to engage in the
business of theatre ticket "scalping"
on the street, near the premises of a
theatre or in a place of amusement.

Eight vice-presidents, John Ad-
ams, Jefferson, Van Buren, Tyler,
Fillmore, Johnson, Arthur and
Roosevelt, subsequently became
presidents.

POOR DADDY!
"Were you and Daddy good boys
when I was gone?" asked the
mother.
"Oh, yes, mother," replied the
child.
"And did you treat nurse respect-
fully?"
"I should say we did!"
"And did you kiss her good-night
every day?"
"I should say we did!"

Eleven states have furnished all
the presidents. Eight were born in
Virginia, seven in Ohio, three in New
York, two each in Massachusetts and
North Carolina, and one each in
New Hampshire, Pennsylvania,
South Carolina, New Jersey, Ken-
tucky and Vermont.

John Adams, who entered its doors
in 1800, was the first president to oc-
cupy the White House.

Time to Build

You could not choose a better time to build. Never was there a greater demand for homes in Glendale.

Lumber and Building Materials are at a lower level NOW than for a number of years—and are lower than they will be in the near future.

Spring, too, is the logical time of the year to build. Your home can be finished—ready for occupancy or for sale by autumn.

Remember—that we are glad to co-operate with you in planning your home and furnish absolutely FREE beautifully illustrated building plans—blue prints and the services of the competent draughtsman who is in charge of our Service Department.

"Did Blondie have a chaperone along when she went motoring with Spike last night?" asked Claudine of the rapid-fire restaurant.

"Nope!" replied Heloise of the same establishment. "She says she carried a butcher knife in her muff, but only had to draw it twice."

ALBERT AUSTIN NOW ONE OF MERMAID COMEDY 'CREW'

CAME TO AMERICA YEARS AGO WITH CHARLIE CHAPLIN; AT ASTRA STUDIOS HERE

Albert Austin, who came to America with Charlie Chaplin in vaudeville many years ago, has joined his pal, Charles Francis (Chuck) Reiser, as director of Mermaid comedies which are being produced at L. J. Gasnier's Astra studios here with Jimmie Adams as the featured player.

Both Reiser and Austin have been associated with Chaplin in many of his best pictures and both had a hand in producing the latest success, "The Kid." It was Reiser who wrote the lyrics for "The Kid" song and Jackie Coogan's father arranged the music.

When seen at the studio yesterday Reiser, Austin and J. B. Melton, publicity director, were busily engaged in editing the latest Mermaid comedy and preparing to start work on a new series of eight two-reel mirth-makers.

Laughs, Yells and Other Things "A picture is just like a baby with me," said Reiser, as he came blinking out of the miniature theatre where the proofs are given their first showing after being assembled in the Astra laboratory. And there is as many laughs and yells and gags in the film as there is in the average healthy youngster, too.

But Jimmie Adams, the star, hates to see the abuse repeated before his eyes—all of which he has suffered during the making of a Mermaid. Being the target for bottles, hanging onto the rear end of a flivver, or any of the hundred and one other stunts are just like so much work.

However, he is a hero in the film, having rescued a girl reporter even though he was only a cub—and that "fade out" kiss with Lillian Biron, well, maybe it repaid him for his trouble.

Murder Mystery Film Now At Palace Grand

There are four persons who might have had a motive for the murder of Dr. Sainsbury in "A Voice in the Dark," an exciting Goldwyn picture, which comes to the Palace Grand Theatre for today only.

Dr. Sainsbury was mysteriously slain in the grounds of his sanatorium, and evidence pointed with equal strength to four persons connected with his life: Mrs. Lydiard, a patient who he had deceived by giving sugar pills, and who harbored a burning, unreasonable resentment against him; Blanche Warren, who had the age-old woman's reason; her sister, Adele, who might have been prompted by jealousy, and Adele's sweetheart, who hated his successful rival.

As far as the audience knows there is no other person in the story who had cause to commit the murder, and the surprise element lies in the fact that none of the four was guilty.

Included in the cast of the picture are Irene Rich, Ora Carew, Ramsey Wallace, Alan Hale, Alec Francis and James Neill, all well known to screen followers.

Mack Sennett's two-part comedy, "My Goodness," adds laughter to the drama and the musical program includes the overture, from "Il Trovatore" and other numbers in keeping with the pictures. Tomorrow Constance Binney in "Something Different" is the feature.

Watching Scoreboard

Yesterday's hero—Sam Rice. The fleet-footed Washington outfielder knocked a homer, beating the Yankees 5 to 4. The bambino failed to get one, but Schang did.

Dick Kerr rose to the clouds in the third inning and forced in the two runs that gave the Browns a 3 to 1 victory over the Sox.

Batting as a pinch hitter in the fifth inning, Le Borveau knocked in three runs with a triple, but the Phillies lost to the Braves, 10 to 6.

Perkins singled in the ninth with the bases full and the Athletics beat the Red Sox, 2 to 1.

Tris Speaker had to use twenty-three players but the Indians overcame a six-run lead and beat the Tigers, 9 to 8.

Cuban League had it on the Cubs and the Reds won, 5 to 3.

George Burns made his annual error by dropping a fly that enabled Brooklyn to beat the Giants, 3 to 1.

EXTRA! LOCAL TEAM RAZZ YANKEES FOR WINS BALL GAME! SCORE, 8 TO 6

HIGH SCHOOL NINE GALLOPS OUT FULL OF NEW LIFE, BEATING S. PASADENA

All remarks of disappointment, sarcasm or disgust heretofore directed toward the champion "in-and-out" Glendale High school baseball team were withdrawn yesterday when the eccentric players, suddenly realizing that they hadn't won a game in several weeks, braced up and behaved just like regular ball players. As a result they defeated the South Pasadena nine, who had walked over them earlier in the season by an 8 to 6 score.

The boys seemed to have come out of a long seance and incidentally handled themselves as they had never done before. The strength of the team was materially increased by a switching of the former line-up and the appearance of several new faces on the field. "Ed" Rike, the new first baseman, seems to be the Freshman "find" of the season. Although he didn't resemble Ty Cobb at the bat, he looked good fielding his position, and it is predicted that with a little experience he will develop into one of the real stars of the team.

To get back to the game—it looked as though Glendale was in for another defeat in the very beginning when Shield, the black-and-orange short-stop, singled past third and scored on Cass' long double to the building in left field. The locals evened things up, however, in the half when the ever-reliable "Pete" Fruhling opened with a double to center and scored a few moments later on a hit by Terzo.

Fans Three in Row Neither team scored in the second canto, Pitcher "Dale" Wood fanning three in a row in this frame. In the third such conditions didn't last, however, and things began to happen. Yule led off for S. P. with a one-base clout and Glavis, the next batter, reached first on an error by Aageson. Then came Shield, who proved to be the visitors' one best bet, with a three-bagger over the center field fence. He crossed the plate a minute later on a long sacrifice fly to left center.

Glendale also scored in the third inning, but with only one marker. This was more luck than anything else, as it was obtained on a "made-to-order" home run through a hole in the centerfield fence. The ball rolled through the croquet legs of both the second baseman and the right fielder and didn't stop until it had found a nice, soft resting spot under a friendly automobile on the south side of Colorado boulevard.

In the last of the fifth round and after one was out Glendale came to life and sewed up the game with six runs on as many hits by Aageson, Green, Fruhling, Terzo, McNary and Johns. From then on the locals were never threatened, although the Bulldogs put two across in their half of the sixth. The score:

L. J. Gasnier Leaves For New York City

L. J. Gasnier, owner of the Astra studio here, left last night for New York city for a conference of executives of the Robertson-Cole productions for which he is directing at a Hollywood studio. A. T. Dobson, manager of the local studio, was at the station to bid him bon voyage, as it were, for it is very probable that before Mr. Gasnier returns he will go to Paris and there direct Pauline Frederick in a picture dealing with the Napoleonic period.

Mr. Gasnier has earned international fame as a director of super features and while Glendale will miss his personal visits, the studio will continue production under the able management of Mr. Dobson.

COMBINATION OF TALENT BUT YET IN EVIDENCE

NEW YORK, April 27.—The Yankees are beginning to be razzed on the Polo grounds.

Miller Huggins has perhaps the biggest combination of talent in the major leagues, but it lacks that class essential for a championship club.

Yesterday's game gives a good illustration of that thing known as class. The Yanks proceeded to get four runs in the first three innings against Washington, but they blew a lead that would win for any real ball club and dropped the game.

On the other hand Cleveland let the Detroit Tigers get off to a four-run lead, but Speaker used twenty-three players and finally won the game.

Speaker does not underestimate his opposition and believes that a game is a game. The Yankees go along apparently thinking that there is plenty of time yet to get started.

Monday afternoon the Yankees were invincible for seven innings. Carl Mays didn't allow a hit in that time. Then the whole works blew up and Washington won the game.

Week Starts Out Big

SAN FRANCISCO, April 27.—This week's Coast league series started yesterday with plenty of sensations to make things interesting.

Willie Kamm helped the Seals beat Los Angeles, 9 to 1, by getting a home run, a three bagger and a single in three times at bat. He scored ahead of him a total of five of the nine runs.

Sacramento and Portland fought a finish battle which ended in a Sacramento victory, 4 to 3. Three double plays served as thrillers.

Oakland beat Vernon by a ninth inning rally. The Tigers seemed to have the game on ice in the eighth inning when Smith got a homer, scoring Hyatt ahead of him. The Oaks in the last of the ninth produced two hits and two runs and took the game, 5 to 4.

Seattle beat Salt Lake, 5 to 2, grabbing a four-run lead in the first inning. The Bees scored two in the seventh but couldn't get any more.

REQUIRES EIGHT TO HANDLE THIS LAD WHEN IN ACTION

SON OF TEXAS SENATOR AND
NOTED AS ATHLETE PUT
IN JAIL—IN MOVIESIt took eight men to fling the ter-
ror of the hills into the "hoos-gow"
yesterday afternoon.Pursued down the main street of
the western village, "Big Boy" Guinn
Williams, son of a Texas senator and
college athlete who has played ball
with the Chicago White Sox, was
grabbed from his horse by the posse
and jammed into jail in a most in-
human manner.But he liked it. And you ought to
see that "Big Boy" fight. He simply
flung the roughnecks of the films
head over heels at the Astra lot yester-
day while being "shot" in a west-
ern feature for the Charles R. Seel-
ing productions of Los Angeles which
was using the western street scene of
which the Astra studio here boasts
as being one of the best. The cam-
era view looks up through a canyon
that reminds one of an Arizona min-
ing camp.

Young Bill Is Featured

With Williams in the film, Bill
Rogers, junior, son of the famous
stage and screen comedian, Will
Rogers, is being featured in the film
as the little friend of the "Big Boy."Miss Thelma Worth, cousin of

romantic thriller which abounds in
fights and action which has a reality
which in the reels should "stand 'em
up."

Girl Shoots Chum As Result 'Love' Quarrel

CHICAGO, April 27.—Jeanette
Hoy, daughter of a well-known con-
tractor, today fired two bullets into
the body of Catherine Davis and then
turned the gun on herself. The
tragedy was the result of a quarrel
between the girls, who have been
close friends for several years. Phys-
icians said that both were near death.The shooting took place on an
elevated platform at Madison and
Wabash, in the heart of the loop, and
threw hundreds of persons hurrying
to work, into panic.Miss Davis, a bookkeeper, had just
left a train on her way to work.
Miss Hoy, hiding behind a post, drew
a revolver from her handbag and
fired. The bullet entered Miss
Davis' side.The girl with the pistol held the
crowd at bay and rushed down the
stairs to the street. In the rear of
a building in which Miss Davis
worked, Miss Hoy fired three shots
in her own body.Police said that Miss Davis re-
ceived a letter from Miss Hoy re-
cently enclosing a bullet. The letter
in part, said:"I love you very much and I am
so sorry that we had a quarrel. I
do not understand why you will no
longer see me."I'm lonesome without you. I
want to patch things up."You probably don't understand
how a girl could love another girl as
I do you."Alice Davis, sister of the girl shot
by Miss Hoy, said:"I can't understand it—the two
girls were together constantly."Matrons of the Mary Dawes hotel
said Jeanette and Catherine met each
other at the hotel two years ago and
were constant associates.Catherine, it was said, left the
home and went to Chattanooga, Tenn.,
returning to Chicago last Novem-
ber and stopping at the Eleanor
club. Since that time Catherine has
shunned Jeanette.Matrons said Jeanette has sent silk
hosiery, candy and large corsage
bouquets of beautiful flowers to
Catherine for the last several months.Jeanette was arraigned in court a
week ago on complaint of Catherine,
following receipt of the letter in
which the bullet was enclosed. On
promise not to bother Catherine any
more, Jeanette was released.

Knights Of Pythias To Gather On Island

Bartrand MacDunna of San Pedro
made an address at the Knights of
Pythias meeting last night relative
to the open air initiatory ceremonies
to be conducted by the Knights of
Pythias, Southern California dom-
ain, on Catalina Island on May 29
and 30.The speaker told of the plans al-
ready made for the big gathering
and also related plans being out-
lined. Sixty-one lodges will partici-
pate in the ceremonies and, it is ex-
pected, fully 1000 candidates will be
initiated. The ceremonies, the
speaker said, will be held at sun-
rise and will take place on the top of
a hill and will present a most im-
posing sight.A varied program of amusements
is being prepared, the speaker stat-
ed, and he predicted the gathering
will be the largest and most suc-
cessful in the history of the Pythian
organization in the south. A spe-
cial rate has been arranged for those
desiring to attend.

JAMES F. M'BRYDE IS CHOSEN CHIEF OF ENTERTAINMENT

ABOUT SEVENTY-FIVE MEMBERS
WILL BE PLACED ON HIS
COMMITTEE, IS PLANAttorney James F. McBryde was
named chairman of the Chamber of
Commerce entertainment committee
by the board of directors at their
weekly luncheon yesterday noon at
the Glendale Union high school. He
will have the co-operation of about
seventy-five members, it is planned,
in assisting the local Christian En-
deavor and Elks committees in han-
dling the coming convention crowds.This was the most important action
on the part of the directors who see
the possibilities of publicity by pro-
viding entertainment for the thou-
sands of people who will visit this
city during the summer while attend-
ing the state convention of the Chris-
tian Endeavor or the national con-
clave of the Elks in Los Angeles. It
is expected that on one day Glendale
will be host to the latter delegates
and as there are to be thousands of
"Brother Bills" in the southland, the
task confronting Mr. McBryde's com-
mittee can be realized readily.

Public Auto Park

To the committee on a public auto
park was referred the matter of pro-
viding a waiting room for patrons of
the Burbank Pacific Electric line at
Pacific avenue as negotiations are
under way for a tourist camp
grounds on the north side of the
Verdugo wash between Central and
Pacific avenues, a beautifully wooded
tract that is said to be ideally situ-
ated for such a purpose, according
to Richardson D. White, chairman of
the committee. The land is owned
by the Pacific Electric.A special committee, of which Dan
Campbell is a member, reported that
arrangements are pending for elimi-
nating the reverse curves at San
Fernando and Brand boulevards. The
committee is endeavoring to get the
city property owners together on the
proposition, Mr. Campbell said.On the motion of Roy L. Kent, a
Salvation army campaign will re-
ceive a letter from the Chamber
stating their cause is a worthy one,
but the local organization can give
no aid in raising a \$2600 quota as-
signed Glendale.

Girls Plan Luncheon

Plans for hiring a collector were
considered and referred to a special
committee, payment of the American
Social Reserve of 12 per cent on all
reserve memberships collected was
ordered, and a refund to D. D. Miller
who had paid his membership dues
twice was approved.The luncheon, served by girls in
Miss Ellen J. Hanson's cooking
classes, was planned by the Misses
Marguerite Mandeville and Helen
Cobb. It included ham loaf, creamed
new potatoes, buttered asparagus,
lettuce salad, with French dressing,
graham muffins and jelly, Bavarian
cream, angels' food cake and coffee.For the housewives of Glendale
who would serve something novel in
the way of dessert, it might be sug-
gested that the recipe for Bavarian
cream, which included fresh straw-
berries, be obtained from the high
school domestic science department.
It was well liked by the directors.

'The Devil' Here For 4 Days At Glendale

The Devil, you say!

Yes, "The Devil," in the person of
George Arliss, is due at the Glendale
Theatre today, the first screen ap-
pearance of this celebrated stage star.One would scarcely expect the devil
of tradition to appear in a glove-
fitting dress suit, black patent
leather shoes, wearing a monocle
and displaying the well-groomed ap-
pearance and exquisite manners of
those who have lived and moved and
had their being in the select circles
of European society.Yet, that is the way "The Devil"
is to appear at the Glendale Theatre
in the Associated Exhibitors' feature,
directed by James Young from Ed-
mund Goulding's story, with an all-
star cast in support of Mr. Arliss
that includes Sylvia Breamer, Lucy
Cotton, Mrs. Arliss, Roland Bottom-
ley and Edmund Lowe.This is the first film to show for
four days in Glendale and it is ex-
pected that "The Devil" will break
all house records at the Glendale
Theatre. There will be other at-
tractions on the bill and Madame
Clement will play "Make Believe"
again tonight as her feature organ
number.

Ancient Order United Workmen Meet Tonight

Tonight at the Knights of Colum-
bus hall, Brand boulevard and Park
avenue, the Ancient Order of United
Workmen will meet and initiate sev-
eral new members. It is expected
that State Organizer Lisle will be
present for the ceremony, according
to James F. McBryde, past master
workman.The present president is the first
Baptist to occupy the White House.

To the motorist who has quit guessing about tires—

A LONG about this time of year a man finds his motor-
ing neighbors getting anxious about their tires.
With folks expecting old tires to "pop" any minute,
there comes the question of what kind of new ones to buy.
U. S. Tires are answering a lot of questions like this
nowadays.The U. S. Tire following embraces two kinds of
tire buyers.Those who started with quality first, and have never
bought anything else but the quality standard tire.Those who came to quality first only after dabbling
with "bargains," "rebates," "job lot" and "surplus stock"
tires.Getting one hundred cents value on the dollar in tire
buying is a straight-forward business proposition—not
guess-work or a game of wits.The most essential man for you to know today is the
local U. S. Tire dealer who is concentrating on a full,
completely sized line of U. S. Tires.He gets his U. S. Tires straight from his neighboring
U. S. Tire Factory Branch—one of 92 such Branches
established and maintained all over the country by the
U. S. Tire makers.He is the man who can give you fresh, live tires—not
stuff shipped to him from some point where it did not
sell, but new tires of current production.Giving the same quality, selection and price-advantage
to the owner of the medium weight car as the big car
owner gets. With equal service and buying opportunity
whether he lives in the smaller localities or the greater
centers of population.

Rev. Soper Draws Up Resolution On Japs

Rev. Julius Soper, formerly pastor
of the Casa Verdugo Methodist
church, well known to a number of
the older Glendale residents, prepared
a preamble and resolution recent-
ly adopted by the Ministerial Union
of Los Angeles and vicinity in regard
to the anti-alien movement.The resolution offered by Rev. Soper
opposes the movement directed
against further immigration of Ja-
panese into the United States, the
right to buy land for agricultural
purposes and depriving them, under
certain conditions, of the guardian-
ship of their children born in this
state. The ministerial union took
the stand that the subject of alien
immigration is a national, not a state
question.Rev. Soper has spent a number of
years in Japan and is said to be very
familiar with Japanese customs and
procedure.YOU CAN ALWAYS
You can always tell a Senior, he is
so sedately dressed.
You can always tell a Junior by the
way he swells his chest;
You can always tell a Freshman by
his timid looks and such;
You can always tell a Sophomore, but
you cannot tell him much.

Century Plant Showing Indications Of Bloom

Local horticultural enthusiasts are
especially interested in the recent re-
port of Mrs. Sidney Dell of 928
North Louise street regarding the
sudden growth of a century plant in
her front yard. Mrs. Dell secured
the plant seventeen years ago from
the old Verdugo park and had it
transplanted in its present location
on her premises.Although not a particularly beau-
tiful specimen of the vegetable
kingdom for her cleverly arranged
grounds, Mrs. Dell would not remove
the spiny shrub, hoping that some
day she would see it in bloom. It
now seems that her long-cherished
desire is about to be fulfilled, for
just one week ago the flower stalk
showed itself above the rest of the
plant, and since that time it has
grown with such rapidity that it has
now reached the six-foot mark.There seems to be some little con-
trovery regarding the exact history
of a century plant. The most popu-
lar belief, however, is that the life
of this member of the cactus family
is just 100 years, and that at the ter-
mination of this period the process
of blooming takes place. The pro-
cess consists of a continual rising of
the flower stalk of twelve inches ev-
ery day for thirty days. Then,
when the stalk has attained a height
of about thirty feet, beautiful blos-
soms will come out for a few days;
and then the whole plant will die.
Those who have never had the op-
portunity of witnessing a similar oc-
currence should see Mrs. Dell's spec-
imen before it is too late.A taxpayer of Georgia whose total
tax is four cents insists on his right
to pay it in four installments. For
his first installment he bought a one-
cent money order for which he paid
three cents.He who rakes up old grievances
will find that the viper of hate has
hatched among the dead leaves of
memory.

THE U. S. NOBBY TREAD

Where the going is specially heavy with snow,
mud or sand, in hilly country where maximum
traction on the road is a factor, no other tire
tread yet devised is quite so effective, or so
wholly approved by motoring opinion, as the
U. S. Nobby Tread.Its very simplicity—two diagonal rows of ob-
long studs, interlocking in their grip on the road
—is the result of all the years of U. S. Rubber ex-
perience with every type of road the world over."The most essential man for
you to know today in the tire
business is your local U. S.
Tire Dealer."
